A. OLD BUSINESS ITEMS

B. PUBLIC COMMENT (15 minutes maximum)

Trustee Avena stated that no bills submitted by Mr. Steven Leventhal shall be paid, and that he will not approve Mr. Leventhal to appeal that decision. He stated further that he and his colleagues will not submit any further bills from the rightful attorney lawsuit. Elise Ledda commented that school buses can’t get up her block in snow storms because of the width of her street. She asked that the Board consider one-side parking and to vote as soon as possible.

Mr. Piacentini, the attorney for Heaven Realty, asked the Board to consider re-zoning the property held by his client from C-1 to R-4. He stated that in his opinion, houseboats are barges sitting on top of boats. The Mayor commented that the study was done for revitalization. The Mayor and several board members, as well as members of the community voiced opinions that the marina area is valuable to a waterfront community. Mr. Piacentini would like the March 14, 2014 hearing to be re-opened.

Barbara Rumenopp commented that the person who bought the property knew what they were purchasing.

Pat DeBari said that the DPW crew worked hard, but felt some roads were not cleared enough.

Caroline Du Bois presented a Sunshine proposal asking The Village let the community know as much as possible about the projects going on in The Village.
C. NEW BUSINESS
   a. Next Board Meeting: March 24th, 2016 7:30 pm
   b. Next work session: February 29th, 7:00 pm

ADJOURNMENT: Motion to adjourn by: Mayor Giunta Second by: Trustee Avena

The meeting was adjourned at 10:00 pm.

Pursuant to this report, resident Barbara Mallon asked the Board to have Charles Keen of EMF Services LLC to return to The Village to test the Tower for emissions. It has not been tested in a long time. Mayor Giunta offered a resolution from the floor to hire Mr. Keen to do the tests. Mrs. Mallon offered to reach out to him to ask for his proposal which will be sent to the Village Clerk. This motion was agreed to by a unanimous vote of the Board. (No formal written resolution was provided.) This is Resolution #01-2016.

The Mayor then asked Gary Maynard to give a report for Ken Kraft who was unable to attend. Ken has outlined his reasons, in the ongoing discussion, for preferring that The Village hire the Port Washington Police instead of Nassau County Police. Trustee Avena then reported that he met with Chief Salerno who was concerned about the cost. Trustee Avena continued that he checked the present cost for policing in Manorhaven to be $800/year for a single family home, and $900 year for a two family. He plans to next meet with Senator Martins, Assemblywoman Schimel and Legislator DeWhitton. He would like to assemble all the costs and hold a public hearing. He would then ask Port Police to submit a bid proposal. He estimated the process may take 2 to 4 months.

Mayor Giunta then asked Inspector Berry to address the Board regarding the Nassau County Police Department. He gave statistics from the past few years which showed a very low number of incidents, and a decrease overall from 2014 to 2015. There was only one burglary and one car break-in, for example, in 2015. He said that the 604 car is always here, and always has two men in Manorhaven at all times. He reported that there is no change in supervision since the 3rd and 6th precincts merged. There are the same number of police cars (24) and the Inspector still has two deputies; one in the north and one in the south. He then announced the return of the Problem Oriented Policing (POP) unit at the 3rd Precinct. He introduced Police Officer Carlos John Rivera who will be the POP officer for The Village along with POP Officer Dan Fliedner.
Several residents told them of specific issues in Manorhaven, and both officers said they are open to addressing residents’ issues; speeding and not enough speeding tickets, homeless in the preserve etc.

The Mayor asked the Board to review the minutes of the December 17th meeting. Trustee Di Lucia made a motion to accept the minutes, and Trustee Avena seconded the motion. The vote was as follows:

- Trustee Avena AYE
- Trustee Di Lucia AYE
- Trustee Gately AYE
- Trustee von Roeschlaub AYE
- Mayor Giunta ABSTAIN (excused from last meeting)

The Justice Court report was reviewed and a motion made The Mayor to accept it as written. Trustee Avena seconded the motion.

Next, the monthly reports were reviewed. After the Board had a chance to review the department reports, she made a motion that the reports be approved. The motion was seconded by Trustee Gately, which motion was approved unanimously by The Board. The abstract of claims was reviewed, and Mayor Giunta made a motion to approve the abstract, which motion was seconded by Trustee von Roeschlaub. A vote was taken, and the abstract was approved by unanimous decision.

WHEREAS, the COUNTY, the TOWN, and the MUNICIPALITIES recognize that the waters, tributaries, and wetlands of Manhasset Bay comprise a precious resource worthy of protection and wish to protect, restore, and enhance Manhasset Bay so as to insure a healthy and diverse marine ecosystem while balancing and maintaining recreational and commercial uses, and are in agreement that the future health and productivity of Manhasset Bay require a coordinated effort dedicated to the protection and enhancement of the Manhasset Bay area; and

1. The TOWN, COUNTY and each of the MUNICIPALITIES shall appoint one (1) official representative to the COMMITTEE who is designated to vote on behalf of such member and is capable of reporting back to their respective TOWN, COUNTY, or MUNICIPALITY.

2. The goals of this COMMITTEE are as follows:
   a. improve the water quality of Manhasset Bay so that all waters of the Bay will consistently meet water quality standards for bathing, swimming, and fishing;
   b. improve the water quality of Manhasset Bay and its tributaries so it will once again be classified as an area suitable for the harvesting of shellfish for human consumption;
   c. restore and enhance the surrounding tidal wetlands that serve to cleanse ecosystems; provide marine food production and wildlife habitat; offer opportunities for education,
research, and recreation; provide flood and storm abatement; and offer open space and aesthetic appreciation;
d. control and reduce point and nonpoint source pollution affecting the Bay and its environs; and
e. assist the TOWN, COUNTY, and MUNICIPALITIES in achieving compliance with federal and state statutes and regulations, such as New York State’s storm water permit requirements, which affect Manhasset Bay in a coordinated and cost-effective manner;
f. coordinate local coastal regulations so as to maximize protection and enhancement efforts to improve the quality of Manhasset Bay, its tributaries and wetlands.
3. The COMMITTEE shall select a Chairperson from among the municipal representatives. The Chairperson shall have the power to create subcommittees and appoint representatives to serve on such subcommittees as the need arises;
4. The TOWN shall act as agent for the COMMITTEE to apply for and receive grants on behalf of the COMMITTEE; and to retain and hire environmental consultants as well as the Executive Director to carry out the goals of the COMMITTEE.
5. The COMMITTEE shall be funded by annual contributions (hereinafter “dues”) which shall be determined annually by the COMMITTEE representatives after the opportunity for review by the COUNTY, TOWN, and each MUNICIPALITY. The proposed amount of annual dues for each year shall be determined prior to the first day of February of that year. Each member shall have sixty (60) days from the date that such dues are proposed to review, comment, or withdraw from the COMMITTEE as set forth in Paragraph 12 of this agreement. At the end of the sixty (60) day review period, the dues shall be established for that year. The dues for such year shall be in an amount sufficient to satisfy the monetary requirements for the match shares of any grants applied for and received by or on behalf of the COMMITTEE, the cost for services of an Executive Director, and any administrative costs not covered by such grants.
6. Dues shall be apportioned among the COMMITTEE members in accordance with the following formula:
   COUNTY OF NASSAU 45% of total TOWN OF NORTH HEMPSTEAD 11% of total MUNICIPALITIES 44% of total, divided by the number of member villages
   Notwithstanding the foregoing, the maximum amount to be paid as dues in any calendar year under this Agreement by:
   (a) The COUNTY shall not exceed Fifty Thousand and 00/100 Dollars ($50,000.00), and

7. Dues shall be paid within thirty (30) days following the start of the member’s fiscal year.
8. Dues shall be paid by each member municipality without the need for a separate inter municipal agreement. It is understood that dues are paid in exchange for benefits offered by the COMMITTEE, such as compliance with certain aspects of the federally mandated storm water reporting, participation in joint grant applications, and others.
9. Following the signing of this agreement, the COUNTY, TOWN, and MUNICIPALITIES shall
pay to the TOWN their respective dues to the attention of the COMMITTEE Executive Director as outlined in Paragraph 7 of this Agreement. All monies will be placed in a non-interest bearing account by the TOWN COMPTROLLER with periodic accountings provided to the COMMITTEE through the Executive Director.

10. This Executive Director is appointed by the TOWN upon the recommendation of the COMMITTEE.

11. Office space, a telephone, and internet hookup may be voluntarily provided by one of the member municipalities at no charge to the COMMITTEE for the use of its Executive Director. Historically, this has been offered by the TOWN. It is recognized that the provision of such space and services will reduce the costs that the COMMITTEE would otherwise have to incur and, in so doing, reduce the annual dues required by the member municipalities.

12. Any member municipality may withdraw from the COMMITTEE upon written notice of no less than sixty (60) days to the Chair of the COMMITTEE who shall promptly notify the remaining member municipalities. In the event that a member municipality elects to withdraw from the COMMITTEE prior to the establishment of dues for that calendar year, the municipality shall not be responsible for the payment of such dues and shall have no further obligation under this Agreement. In the event that the member municipality elects to withdraw from the COMMITTEE after dues for that calendar year are established, that member shall be responsible for the payment of such dues for that calendar year.

13. The term of this Agreement shall commence upon execution of this Agreement by the COUNTY, the TOWN, and the MUNICIPALITIES and shall terminate five (5) years thereafter; provided, however that the term of this Agreement may be extended by consent of the COUNTY, the TOWN, and the MUNICIPALITIES for successive five (5) year periods.

14. Compliance with Laws: This Agreement is subject to the provisions of Article 18 of the General Municipal Law of the State of New York; as amended, and Section 22-4.2 of the Administrative Code of Nassau County. In addition, the parties hereto shall comply with any and all applicable Federal, State, and local Laws, including, but not limited to those relating to conflicts of interest, discrimination, a living wage, disclosure of information, and vendor registration, in connection with their performance under this Agreement. As used in this Agreement the word “Law” includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

15. The TOWN shall require anyone retained in connection with this agreement, with the exception of the Executive Director, to maintain under a General Liability Insurance with a combined single limit of ONE MILLION AND 00/100 ($1,000,000.) DOLLARS defending, indemnifying and holding harmless the TOWN and the MUNICIPALITIES from any and all loss/or damage arising out of any of their acts occurring in the performance of this Agreement.

16. The TOWN agrees that payment by COUNTY will be contingent upon the TOWN’s submitting a claim voucher to the Nassau County Comptroller which has been approved by the Nassau County Department which is designated by the COUNTY to provide funding pursuant to this AGREEMENT.

17. The TOWN shall maintain full and complete books and records of accounts in accordance with accepted accounting practices and such other records as may be prescribed by the Comptroller of the COUNTY. Such books and records shall be retained for a period of six (6)
years and shall at all times be available for audit and inspection by the Comptroller of COUNTY or his duly designated representative.

18. The TOWN agrees that it is and at all times shall be deemed to be an independent contractor and shall not, in any manner whatsoever, by its actions or deeds commit COUNTY or MUNICIPALITIES to any obligation irrespective of the nature thereof, except as provided by this Agreement, and no employee of the TOWN shall be deemed to be an employee of the COUNTY or any of the MUNICIPALITIES. It is further understood and agreed that any agent, servant or employee of the TOWN shall not, at any time or under any circumstances, be deemed to be an agent, servant or employee of the COUNTY or the other MUNICIPALITIES.

19. No Arrears or Default: no party to this Agreement is in arrears to the COUNTY upon any debt or contract, and has not been in default and is not in default as surety, contractor or otherwise.

20. This Agreement may be executed in counterparts, and a compilation of such counterparts shall constitute the Agreement. Each member which is a party to this Agreement shall be provided by the TOWN with a full and complete copy of the executed Agreement.

21. This Agreement shall be effective upon the approval and execution of the Agreement by a majority (more than half) of the signing members (COUNTY, TOWN, and MUNICIPALITIES).

A resolution was called to request a 60-day trial period to allow only compact cars or motorcycles in several parking spaces in The Village. The Village attorney recalled the resolution as he determined that there was no provision under the law to do this, and asked instead to write a local law and set a date for a public hearing to discuss same. The addresses in question are on Juniper (Between #37 and #39) and on Firwood (Between 58 and 56A).

The Village Attorney will write a local law and a date will be set for a public hearing to allocate small curbside spaces to small vehicles only.

PUBLIC COMMENT

Caroline DuBois reported as the secretary for MAC that they were interested in any information about the ‘big pile of dirt’ at Morgan’s Dock which is now gone. Deputy Clerk Sharon N. Abramski said that the soil was tested and was found not to be contaminated. She reported that she has been the liaison for the project, and that Galvin Brothers just finished trucking and grading the soil which came from dredging. Ms. DuBois mentioned that someone had seen trucks dumping soil there. Attorney Toner added that if there are allegations of dumping of soil, it must be investigated.

Gary Maynard inquired about legal fees facing The Village. Mr. Toner said that no bills were paid to Mr. Leventhal.
Barbara Rumenopp questioned why Trustee von Roeschlaub suggested raises 3% for employees vs. a suggestion of $10,000 for the Deputy Clerk. She also wanted to know what would happen with the bills submitted by Mr. Leventhal. She was concerned where all this money would come from if Mr. Leventhal insisted on being paid.

Nick Marra continues to be concerned about handicap accessible ramps and said he has two quotes that looked the same from two different companies. He was told that it may be because when the Village requests a quote, we send the same request to each company so they can bid on the same thing.

Roy Smitheimer said that in 1921, Manorhaven had Port Police coverage, and in the 1930’s, Nassau County took over the coverage. Roy asked whether Manorhaven residents would have a voice on the Board if Port Police took over. He said this is a political issue for them, and that it may need to be a pure contract for Port Police to cover Manorhaven.

The next work session is scheduled for January 25th at 7:00 pm.

With no further business before the Board, Mayor Giunta made a motion to adjourn the meeting. Trustee Gately seconded the motion.
