BOARD OF TRUSTEES, INC. VILLAGE OF MANORHAVEN
RESOLUTION # 45-2016 TO ADOPT
LOCAL LAW #7 - 2016 JUNE 22, 2016

A LOCAL LAW TO ESTABLISH A TEMPORARY BUILDING MORATORIUM IN CERTAIN ZONING DISTRICTS WITHIN THE VILLAGE

Mayor Giunta offered the following resolution and moved its adoption, seconded by Trustee Di Lucia, which resolution was declared adopted after a poll of the members of this Board:

LOCAL LAW NO. 7 of 2016
WHEREAS, the Board of Trustees desires to protect the Village waterfront, as a significant and special resource, that has fostered the development of a unique nautical heritage and history.

WHEREAS, the Board of Trustees desires a temporary restraint on development in those zoning districts of the village that are located along its waterfront pending the Village’s review, modification, enactment, and/or updates to the its comprehensive master plan, its local waterfront revitalization plan, and its zoning code.

WHEREAS, the Board of Trustees plans, in conjunction with this Moratorium, to engage professional planners to perform a comprehensive study of the zoning and development along this waterfront in order to recommend specific amendments, proposals or enactments to properly balance the interests of private property owners in sensible, context- appropriate development and the interests of the community in maintaining public access to the waterfront, view of Manhasset Bay, and other concerns.

WHEREAS, the Board of Trustees believes that a pause in development and building will maintain the status quo while the Village determines how to effectuate the proper balance of these interests through the zoning and planning processes. The Village Board of Trustees and other Village officials need the time afforded by this moratorium in order to comprehensively address the question of how to properly modify the restrictions in place on the Village’s waterfront without further development proceeding while they are doing so.

WHEREAS, a properly noticed public hearing has been fully conducted on said Moratorium.

NOW THEREFORE BE IT ENACTED BY THE BOARD OF TRUSTEES OF THE INC. VILLAGE OF MANORHAVEN AS FOLLOWS:

Title: A LOCAL LAW TO ESTABLISH A TEMPORARY BUILDING MORATORIUM IN CERTAIN ZONING DISTRICTS WITHIN THE VILLAGE

Section 1. Purpose, intent, and findings

The purpose of this Local Law is the enactment of a temporary restraint on development in those zoning districts of the Village of Manorhaven that are located along its waterfront pending the Village’s review, modification, enactment, and/or updates to the its comprehensive master plan, its local waterfront revitalization plan, and its zoning code.

The Village’s waterfront is a significant and special resource that has fostered the development of a unique nautical heritage and history. Over the course of the Village’s history, the waterfront has been used for an incredible variety of purposes running the gamut from industrial uses including seaplane and steel factories, transportation uses
including the first commercial chartered trans-Atlantic air travel service and the former Morgan’s ferry to mainland New York State, to recreational uses including marinas and passive-use park and preserve land, to residential uses including the Tom’s Point cooperative, along with many others.

The Village is engaging professional planners to perform a comprehensive study of the zoning and development along this waterfront in order to recommend specific amendments, proposals or enactments to properly balance the interests of private property owners in sensible, context-appropriate development and the interests of the community in maintaining public access to the waterfront, view of Manhasset Bay, and other concerns.

This pause in development and building will maintain the status quo while the Village determines how to effectuate the proper balance of these interests through the zoning and planning processes. The Village Board of Trustees and other Village officials need the time afforded by this moratorium in order to comprehensively address the question of how to properly modify the restrictions in place on the Village’s waterfront without further development proceeding while they are doing so.
